

CASAC Initial Certification 350 Course

Hello! I would like to introduce you to the Helio Health Training Institute!

The Helio Health Training Institute is an approved OASAS Training provider for the delivery of the full CASAC 350 hour training for CASAC Certification.

Please note, in each module, there are additional assignments and tests to complete outside of class time and students are expected to meet grading and attendance standards in order to pass the course. Additional sections may be added to this schedule as needed.

Please note that completion of 350 certification classes will **not** count toward their work hours requirement that is set by OASAS and varies depending on your qualifications. Further information on this can be found on the OASAS website: <https://oasas.ny.gov/credentialing/alcoholism-and-substance-abuse-counselor-casac>

If you have already submitted an application to OASAS and only require certain parts of a module or modules, we can work with you to tailor the program to meet your needs. Our hourly rates are \$12 for employees and \$17 for the general public. If you only need certain hours, please contact us to discuss schedules and needed hours/sections.

Finally, we recognize that taking these courses is a significant financial investment. We are able to help by offering payment plans should the need arise. In order to inquire about a payment plan, please indicate this when completing this application. Our payment plans are tailored to each student and carry no interest. Payment plans split the cost of each section into monthly or bi-weekly payments. Payment plans only run for the duration of each section (e.g. if your section runs from January until May, you will make six monthly payments, starting with 30 days prior to the start of classes.)

If a payment plan is still beyond your means, you might consider one of our grant opportunities, or contacting either ACCES-VR or CNY Works to enquire about funding through those organizations. Both organizations have funded students in the past. *Please note if using a third party payer (e.g. ACCES-VR) you need to attach a payment verification letter to this application for it to be processed.*

Unfortunately, as a private training institute we are unable to accept other student loans to cover the cost of CASAC training at this time.

I hope this answers some of your questions. Feel free to contact me via email for additional info.

Nathan Rauscher, MBA, LMSW, Master CASAC

**If you have previous education that may apply towards the 350-hour CASAC education, a CASAC application and transcripts must first be sent to OASAS. Please complete the NYS OASAS CASAC application on their website - <https://oasas.ny.gov/credentialing/casac>. You will receive a "Letter of Review" stating what additional requirements you need to obtain your CASAC, include the specific needed training hours. You are welcome to take only the hours you need with the Helio Health Training Institute at a prorated cost (scholarship opportunity restrictions may apply for partial education).*

PAYMENT OPTIONS EXPLAINED

Employee Scholarship (Helio Health Staff Only)

Programs of Helio Health may cover the cost of the training. Applicants need to speak to their direct supervisor to discuss this option as scholarships are available on a case-by-case basis and must be supported by the program budget.

Applicants are required to work for Helio Health, Inc for one (1) year after completing all 350 hours of education. If the staff person does not, they are responsible for repayment.

Scholarship paperwork can be found here:

SharePoint > Agency Resources > Human Resources (HR) > HR Forms >
HH-HR-FRM-0063 - CASAC and CRPA Divisional Sponsorship Form

Employee Payroll Deduction (Helio Health Staff Only)

Employee rate for training is taken out of your bi-weekly paycheck over the course of the the training program. Total cost will vary, but on average for all four (4) sections over a fourteen (14) month time frame, the cost is roughly \$120.00 per paycheck.

Deductions will start the paycheck prior to the start of your training and will conclude the paycheck prior to your last class.

Self-Pay via Credit/Debit Card or Check

We offer payment plans to break up the cost of the program into smaller bi-weekly or monthly payments over the duration of the program.

Funding via ACCES-VR or Workforce Program

Students are responsible for securing this payment source. If this applies please let us know so Training Institute staff can connect with your caseworker.
