CRPA Application

TransformNation

CRPA/CARC/RCA Initial Certification 50 Hour Course

Hello! I would like to introduce you to the Helio Health Training Institute!

The Helio Health Training Institute employs staff that are approved instructors of the 46-hours Domain Based Foundational Training, approved for both CRPA (including CRPA-Provisional) and CARC by the NYS Certification Board as well as the Connecticut Community of Addiction Recovery (CCAR) Academy Recovery Coach certification.

Please note, our instructors are approved to provide all 50 hours of the initial certification course. You will be automatically assigned the four (4) hour - Medication Supported Recovery within our DigitalChalk training platform. Please note that there are additional requirements you must complete before you become a certified recovery peer advocate (CRPA), including certification exam, role experience hours and required supervision and oversight. Please go to the NYS Certification Board website for all information:

https://www.asapnys.org/ny-certification-board/#:~:text=Welcome%20to%20New%20York%20Certification%20Board

Finally, we recognize that taking these courses is a significant financial investment. We are able to help by offering payment plans should the need arise. In order to inquire about a payment plan, please indicate this when completing this application. Our payment plans are tailored to each student and carry no interest. Payment plans split the cost of each section into monthly or bi-weekly payments. Payment plans only run for the duration of each section (e.g. if your section runs from January until March, you will make three monthly payments, starting with 30 days prior to the start of classes.)

If a payment plan is still beyond your means, you might consider one of our grant opportunities, or contacting either ACCES-VR or CNY Works to inquire about funding through those organizations. Both organizations have funded students in the past. *Please note if using a third party payer (e.g. ACCES-VR) you need to attach a payment verification letter to this application for it to be processed*.

Unfortunately, as a private training institute we are unable to accept other student loans to cover the cost of CPRA training at this time.

I hope this answers some of your questions. Feel free to contact me via email for additional info.

Nathan Rauscher, MBA, LMSW, Master CASAC

Helio Health Training Institute Director

Training@helio.health

CRPA/CARC Initial Certification 50 Hour Course

Total Cost: $1,200.00

This **50-hour** course offers the four required modules and meets the training/certification requirements of the ASAP-NYCB for the CRPA certification. This intensive course will cover:
